

# Christmas cheer for all to hear!

Light your candles & get your jingle bells ready for a night filled with Christmas sing-alongs and classical music hits with a magical fireworks filled finale under the stars.

West Australian Symphony Orchestra joins forces with Lotterywest, City of Perth and Variety, the children's charity, to create Perth's largest outdoor Christmas concert, Christmas Symphony!

We have injected more of the festive spirit into Symphony in the City, our annual outdoor celebration of classical music, to kick off summer with this new and extended program.

This magical evening will feature more than 150 performers on stage including West Australian Symphony Orchestra, WASO Chorus, Variety Choir and special guests including the one and only, Santa.
