The West Australian Symphony Orchestra will channel their inner nerd to bring the magic of Comic Con to the concert hall stage. For the first time in Australia, *A Symphonic Tribute to Comic-Con* will celebrate the giants of pop culture: **Game of Thrones, Star Wars, Dr. Who, Final Fantasy, Star Trek, Jurassic Park** and much more!

This symphonic geek-fest will be led by Perth-raised conductor Christopher Dragon. As the Associate Conductor of the Colorado Symphony, Dragon has conducted numerous Comic Con performances in the US and has a reputation for surprise costumes and onstage antics.

Costumes and cosplay are highly encouraged for all attendees.
