WASO BRINGS THE ENSEMBLE EDITIONS TO FRIDAYS

As WASO continues to let the music play on, we are excited to announce the Ensemble Editions, our newest digital concert series every Friday from 5 June.

Join us as we celebrate the next phase of WASO's return to the mainstage with some of the most exquisite music written for chamber ensembles. Each week in the Ensemble Editions, musicians of our orchestra are stepping into the spotlight to bring you music of charm, intimacy and drama from Debussy to Dvorak, Haydn to Hans Richter.

The Ensemble Editions debuts with Hans Richter and Mendelssohn. Richter's dramatic homage to Wagner's grand operas, Wagneriana, marks the stage return of WASO Horns and opens the first digital ensemble concert for 2020. Mendelssohn's irresistible Octet then rises majestically and takes you through to a joyous and energetic finale as the WASO strings whisk you away to a wintery dream-state.

The Ensemble Editions, Fridays 7.30pm at <https://www.waso.com.au/concerts-tickets/ensemble-editions/concerts>

The Ensemble Editions is supported by series partner MACA and principal partner Wesfarmers Arts.
